There are few American sporting events with the history and popularity of the Kentucky Derby. Its rich traditions – sipping a Mint Julep, donning a beautiful hat, singing “My Old Kentucky Home” – honor the fans brought together over the course of three centuries to enjoy “America’s Greatest Race.” The Kentucky Derby is the longest continuously contested sporting event in the United States since the first running in 1875. Each year, twenty of the most elite three-year-old Thoroughbred horses in the world take to the historic dirt racetrack to race 1 1/4 miles for the garland of roses.

The spectacle, the beauty, and the unmistakable excitement of the Kentucky Derby draw more than 155,000 fans annually. Not only the “most exciting two minutes in sports,” the Kentucky Derby is a celebration of food, fashion, glamour, and Southern heritage. Dressing for the occasion, sipping a Mint Julep, placing a wager, stepping alongside the red carpet, posing for a picture beneath the legendary Twin Spires – guests make memories at the Kentucky Derby. Join us as we make history and celebrate another Kentucky Derby champion.
Relax and enjoy the company of your guests in the comfortable seats of your suite sitting area. The fresh, new décor of the Starting Gate Suites, classic style of the Jockey Club and Finish Line Suites, and charm of the trackside Winner’s Circle Suites bring the splendor of the Kentucky Derby to your finely decorated luxury suite. Club chairs, dining chairs and tables, cocktail stools, and couch seating invite your guests to mingle and offer several seating options for your group to enjoy.
