CATHOLIC BOY COMPLETES FINAL PREPARATION BEFORE THE CLASSIC WITH FIVE-FURLONG BREEZE

IN 1:01 – Robert LaPenta, Madaket Stables, Siena Farm and Twin Creeks Racing Stables’ Travers Stakes (Grade I) winner Catholic Boy tuned up for the $6 million Breeders’ Cup Classic (GI) with a five-furlong move in 1:01 Sunday with regular rider Javier Castellano aboard.

“It was a good work,” trainer Jonathan Thomas said. “It always takes a lot of anxiety out of our lives when these horses have their final works. Really, what was most important to me this morning, was to see he continued doing things the way he has been throughout the year.”

Catholic Boy worked during the exclusive window for Breeders’ Cup horses at 7:30 a.m. (all times Eastern) through splits of :13, :24.80 and :36.80, before galloping out six furlongs in 1:13.60 and seven furlongs in 1:28.20, according to Churchill Downs Clocker John Nichols.

The 3-year-old son of More Than Ready has been stabled at Churchill Downs for 10 days from his home base in New York.

“I just wanted to get him down here early to see how he handled the new surroundings,” Thomas said. “You can see one work from a horse to get a sense if they like the track but the second work can really tell you a lot of how they’re handling things.”

COX QUARTET WORK FOR BREEDERS’ CUP – It was a very busy Sunday morning for trainer Brad Cox, who worked 29 horses, including likely Longines Breeders’ Cup Distaff favorite Monomoy Girl and three other Breeders’ Cup contenders.

Kentucky Oaks (GI) winner Monomoy Girl came out with her stablemates Arklow (Longines Turf) and Will Call (Turf Sprint) at the special 7:30 a.m. time for Breeders’ Cup runners and worked a half mile in 48.40 in company with older male allowance level runner Dazzling Gem under regular rider Florent Geroux. Her splits were :12.20, :23.60 and :36.20 before galloping out in 1:01.40 and 1:15.80.

“Dazzling Gem was aggressive going to the pole,” Cox said. “The plan was for Monomoy Girl to sit right off him, but Dazzling Gem was aggressive. It still worked out well. Florent was able to range up to him and they went head and head. It was what we were looking for. We didn’t want to do as much as we had in the other works. I caught her in :49 2/5 and out in 1:01 4/5, so a solid breeze.”

Will Call was the first of the trio to break off into his work and was caught in :49.40 for the half mile. His splits were :13, 25 and :37.20 before galloping out in 1:02.40. “He broke off slow, but finished up well,” Cox said. “Shaun Bridgmohan is his regular rider and was aboard for the work. He was pleased with how he was moving.”

Arklow, who is coming off a second-place finish in the Sycamore Stakes (GIII) at Keeneland Oct. 18, went an easy half mile in :49.60 with splits of :25 and :37.20 before galloping out five furlongs in 1:02.80. “Arklow is just going off a race last week, so we didn’t need him to do too much,” Cox said. “We just wanted to let him stretch his legs. We may not have the fastest horse in the race, but he may be the fittest. He deserves a shot.”

Getting a jump start on the morning was Filly & Mare Sprint entry Golden Mischief, who came out at 5:15 a.m. and worked a bullet half mile in 47. It was the fastest of the 113 half-mile works Sunday. Her splits were :13, :24.60 and :35.80 before galloping out in :59.40 and in 1:13.60. “She looked fantastic,” Cox said. “She broke off nice and easy. Galloped out well. I’m just super pleased with her. She did everything right.”

IMPERIAL HINT BREEZES HALF-MILE IN :48.80 WITH UNEXPECTED COMPANY – Raymond Mamone’s multiple Grade I-winning sprinter Imperial Hint received some rather unexpected company when he worked a half-mile in :48.80 Sunday at Churchill Downs in preparation for the TwinSpires Breeders’ Cup Sprint (GI).

Imperial Hint began his half-mile breeze at the three-furlong pole. Meanwhile, Hall of Fame trainer Bill Mott’s Breeders’ Cup Juvenile (GI) contender Topper T began his half-mile breeze approximately 10 seconds earlier from the half-mile pole. “We weren’t really anticipating having company,” said trainer Luis Carvajal Jr., who also has been acting as Imperial Hint’s groom while he is at Churchill Downs. “I thought it was a very good work for us. I’m sure he could’ve easily gone a second or two faster.”

Imperial Hint, a 5-year-old Florida-bred son of Imperialism, began his work with fractions of :12.40 and :36.20, before galloping out five furlongs in 1:01.

PROMISES FULFILED, SEVEN TRUMPETS RECORD FINAL WORK BEFORE BREEDERS’ CUP – Churchill Downs all-time leading trainer Dale Romans could not have been more pleased following TwinSpires Breeders’ Cup Sprint (GI) contender Promises Fulfilled’s half-mile move in :48.40 and Seven Trumpets’ five-furlong work in 1:01.40 in preparation for the Dirt Mile (GI).

“It was a busy, but fun morning in the ‘Romans Clocker Stand’,” Romans said. “I thought both horses worked phenomenal. I really like our chances in both of these races. These horses are improving at the right time and training extremely well.”

Bob Baron’s Promises Fulfilled, with regular exercise rider Faustino Herrarte aboard, worked through splits of :12.20 and :23.60, before galloping out six furlongs in 1:14.20, according to Nichols. Immediately following Promises Fulfilled’s work, Romans’ life partner and exercise rider Tammy Fox was aboard West Point Thoroughbreds’ Seven Trumpets who clipped opening splits of :23.60 and :48.60, before galloping out six furlongs in 1:15.20. Romans also reported that Dirt Mile contender Dak Attack, who breezed five furlongs in 1:00, is “on the fence” about running in the race.

CHANNEL MAKER, TOPPER T WORK TOWARDS BREEDERS’ CUP STARTS FOR HALL OF FAME TRAINER MOTT – Two of Hall of Fame trainer and former Churchill Downs all-time leading conditioner Bill Mott’s Breeders’ Cup hopes, Longines Turf (GI) contender Channel Maker and Sentient Jet Juvenile hopeful Topper T completed their final step before starts in the World Championships with separate half-mile moves in :49 and :47.60, respectively. “Both of these horses worked well today,” assistant trainer Kenny McCarthy said. “We thought about working Channel Maker on the turf again but he did fine last week on the dirt.”

McCarthy also reported Breeders’ Cup Classic competitor Yoshida (JPN) is tentatively scheduled to work Monday. Topper T, a 2-year-old Iowa-bred, worked at 7:30 a.m. through opening fractions of :12.20 and :24.20, before galloping out five furlongs in 1:01. Channel Maker, the Joe Hirsch Turf Classic (GI) winner, worked through opening fractions of :12.40 and :24.60, before galloping out five furlongs in 1:03.40.

CASTELLANO GETS TEST DRIVE ON CITY OF LIGHT FOR BREEDERS’ CUP DIRT MILE – Mr. and Mrs. William K. Warren Jr’s two-time Grade I winner City of Light had a get-acquainted session with jockey Javier Castellano Sunday morning, working a half-mile in :47.60 after the second renovation break.

In posting the third fastest of 113 works at the distance, City of Light produced fractions of :24, :47.60 and out five furlongs in 1:00.80.

“This was my first time on him and I liked him,” said Castellano before flying back to New York with a return to Louisville slated for Thursday.

Trainer Michael McCarthy was happy with the breeze over a fast track.

“I was pleased with him and he ran through his gears,” McCarthy said.

Castellano’s work with McCarthy was not done for the morning as a half-hour later he partnered Ciaglia Racing and Eclipse Thoroughbred Partners’ Paved through a five-furlong turf work with Madaket Stables’ Liam the Charmer in 1:05.60 over a turf course rated as good.

With Liam the Charmer (Breeders’ Cup Turf-G1) on the inside under Aaron Gryder, the duo produced fractions of :13.20, :40.40 and out six furlongs in 1:21.

“They were maintenance works because she is going to go 1 3/8 miles (in the Maker’s Mark Breeders’ Cup Filly & Mare Turf-G1) and he is going a mile and a half,” McCarthy said. “I was very happy with both of them and they got over the grass fine.”

MOM’S ON STRIKE WORKS IN COMPANY FOR BREEDERS’ CUP FILLY & MARE TURF – Brad Grady and Carl R. Moore Management’s Mom’s On Strike, working in company with Calumet Farm’s Tracksmith, covered a half-mile on the dirt in :48.20 with trainer Joe Sharp aboard in her final prep for Saturday’s $2 million Maker’s Mark Breeders’ Cup Filly & Mare Turf (GI).

Mom’s On Strike started a couple of lengths behind Tracksmith with Adam Beschizza up and finished on even terms with splits of :24.20, :36.20 and out furlongs in 1:01.80.

“I thought she worked super,” Sharp said. “She always does better with a target. She will go back to the track Tuesday and this week we will take advantage of the turf training. She is very familiar with the course having won over it.”

Winner of the Bewitch (GIII) this spring at Keeneland going 1 ½ miles, Mom’s On Strike may have an equipment change for the Filly & Mare Turf at 1 3/8 miles.

“I think I will put the blinkers back on her,” Sharp said of the 5-year-old mare who raced in blinkers for parts of 2016 and 2017 but not in her past 10 starts,

Sharp said that Tracksmith, who is far down on the preference list for the $1 million Breeders’ Cup Juvenile Turf (GI), has been nominated to the $100,000 Atlantic Beach to be run at six furlongs on the grass at Aqueduct Nov. 10.

ADDITIONAL BREEDERS’ CUP NEWS AND NOTES – Trainer Jeff Bonde’s two Breeders’ Cup hopefuls: Miss Sunset (Filly & Mare Sprint) and King of Speed (Juvenile Turf) put in half-mile works on the fast main track. Working solo under exercise rider Tony Gutierrez, Miss Sunset covered the distance in :49.80 with fractions of :12.60, :24.40 and out five furlongs in 1:04.40. Fourth as the favorite in the Thoroughbred Club of America (GII) at Keeneland in her most recent start, Miss Sunset is owned by Phil Lebherz and Alan Klein. King of Speed, owned by Del Secco DCS, Inc., covered the half-mile in :50 with splits of :12.60, :24.80 and out five-eighths in 1:04.80. King of Speed has won the Del Mar Juvenile Turf and Zuma Beach in has past two starts at the Juvenile Turf distance of one mile.
