- European Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races through April 11, 2020. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings through April 11, 2020. **FILLIES** – If a filly wants to run in the Kentucky Derby she can, but she’ll have to earn her way into the field by accumulating points against open company just like the rest of the colts and geldings. Additionally, any points earned by a filly in the “Road to the Kentucky Derby Presented by Woodford Reserve” series against open company will be credited to her point total in the “Road to the Kentucky Oaks” series.

**DEAD-HEATS** – In the event of a dead-heat (tie) those horses will divide equally the points they would have received jointly had one beaten the other.

**SPLIT DIVISIONS** – In the event a race is split into divisions and each division awards its originally published purse money, points will be awarded as scheduled for each division. If the originally published purse is halved for each division, points will be halved as well.
