2019-20 EUROPEAN ROAD TO THE KENTUCKY DERBY SCHEDULE

EUROPEAN ROAD TO THE KENTUCKY DERBY – First staged in 2018, the “European Road to the Kentucky Derby Presented by Woodford Reserve” is a stand-alone series that is separate from America’s “Road to the Kentucky Derby Presented by Woodford Reserve” sequence. Only one invitation to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the “European Road to the Kentucky Derby Presented by Woodford Reserve” series. No invitation will be extended beyond the Top 4 point earners but if a horse also qualifies through America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series, the invite will be extended to the next eligible horse. If two or more horses have the same number of points, the tiebreakers are earnings in non-restricted stakes races through Aug. 15, 2020 followed by lifetime earnings through Aug. 15, 2020. Since 1967, there have been 49 horses who previously raced outside North America and ran in the Kentucky Derby. Venezuela’s Canonero II won the 1971 Derby, while Bold Arrangement (GB), who was campaigned in Great Britain and France, finished second to Ferdinand in the 1986 renewal.

Additionally, any points earned by a filly in the “Road to the Kentucky Derby Presented by Woodford Reserve” series against open company will be credited to her point total in the “Road to the Kentucky Oaks” series.

DEAD-HEATS – In the event of a dead-heat (tie) those horses will divide equally the points they would have received jointly had one beaten the other.

SPLIT DIVISIONS – In the event a race is split into divisions and each division awards its originally published purse money, points will be awarded as scheduled for each division. If the originally published purse is halved for each division, points will be halved as well.
