Kentucky Derby 146
Derby Week COVID-19
Health and Safety Operations Plan
Last revision: August 12, 2020
(Plan subject to future revision)
Plan Summary
KENTUCKY DERBY WEEK 2020

For 145 consecutive years, the Kentucky Derby has provided an experience unlike any other. The 146th Run for the Roses will look different to ensure the safety of guests and personnel, but the most exciting two minutes in sports will still offer an unmatched experience.

The Health and Safety Operations Plan is an overview of the numerous steps being taken to ensure the safety of all those present for racing during Kentucky Derby Week. Kentucky’s Healthy at Work guidelines are employed throughout the plan. Highlights are provided below. Together, our guests and personnel following these procedures will create a safe and enjoyable environment for all those in attendance. Churchill Downs is committed to the enforcement of these protocols and procedures. We will have the necessary security personnel onsite to ensure that these expectations are adhered to by guests.

1. **Venue Capacity** — Attendance will be less than 14% of total capacity from the event record. All areas will see reductions in ticketing and added restrictions on movement between areas. There will be no General Admission for Derby Week and the infield will be closed. Reserved seating will be limited to a maximum of 40% occupancy.

2. **Entry Procedures** — Guests and personnel will be screened prior to entry including a temperature check and medical questionnaire. They will be provided with personal protective equipment (PPE) including a face mask, personal-use hand sanitizer, and personal stylus pen to use at betting terminals.

3. **Social Distancing** — Throughout the facility, signage will remind guests and personnel of proper physical distancing protocols. Floor decals in high traffic areas such as at mutuel lines, betting terminals, and food and beverage outlets will indicate 6 feet of spacing.

4. **Hand Sanitizing** — In addition to personal-use hand sanitizer provided upon entry, hand sanitizing stations will be placed throughout the facility with signage reminding guests and personnel of the importance of keeping hands clean.

5. **Face Coverings** — The use of a protective face covering will be required by all personnel and guests. Churchill Downs personnel will be stationed throughout the facility to help maintain this policy. Facial coverings may be removed only when actively eating or drinking.

6. **Wagering** — Mutuel tellers will be properly spaced and provided PPE for their protection. Guests will be required to wear masks, reminded to properly distance, and encouraged to wager online at Twinspires.com.

7. **Cleaning/Sanitizing** — High touch surfaces will be regularly sanitized. Restrooms and food and beverage outlets will be a top priority for cleaning personnel.

8. **Food/Beverage** — Self-service options are being replaced by pre-set served meals. Beverages will be served with wrapped straws and cans will not be opened for guests.
THE NUMBERS

- 500+ — social distancing signs
- 500+ — facial covering signs
- 500+ — hand sanitizing stations
- 1,000+ — floor decals at gates, mutuel lines, and high traffic areas
- 800+ — floor decals at food and beverage outlets
- Dozens — plexiglass panels as protective barriers for personnel
Plan Details
Event Overview
Churchill Downs Racetrack’s Derby Week COVID-19 Health and Safety Operations Plan closely follows the guidance established by the Commonwealth of Kentucky's Healthy at Work requirements. Additionally, CDC recommendations and feedback from the Louisville Metro Public Health Department guided the formation of this plan. Public health guidance throughout the facility, including for food and beverage service, is met or exceeded.

If further guidance is received, we reserve the right to modify our Health and Safety Plan accordingly.
ASSUMPTION OF RISK

Churchill Downs Racetrack (CDRT) has taken enhanced health and safety measures to mitigate the risk of exposure to COVID-19. Follow all instructions and guidelines during your visit. An inherent risk of exposure to COVID-19 exists in any public place where people are present. According to the Centers for Disease Control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable. By visiting CDRT, you voluntarily assume all risks related to the exposure to COVID-19.
PROGRAMMING CHANGES THROUGHOUT DERBY WEEK

- Backside (these protocols will be in place every day of Derby Week)
  - Restricted access to the backside to only essential personnel
  - No public morning workout viewing from the backside
  - No crowds and parties during race days in the afternoons
  - Stable Suites for Derby and Oaks owners will not be built

- Opening Night
  - Opening Night to Derby Week will not take place this year, but the arts theme and any pre-purchased tickets to that event have been transferred to Downs After Dark on September 19.

- Dawn at the Downs
  - Originally planned to be held Tuesday and Wednesday of Derby Week with live racing later those afternoons, the event has been moved to Monday, August 31 and limited to guests with reserved seats.
PROGRAMMING CHANGES THROUGHOUT DERBY WEEK

- Champions Day (Tuesday)
  - Post Position Draw and President’s Reception will be held with social distancing guidelines in place.
  - Jockey & Trainer Autograph session has been canceled to limit guest congregation.
  - Derby Week Industry Insider Handicapping Seminar will accept fan questions via livestream on Kentucky Derby social media without an in-person audience.

- Thurby (Thursday)
  - Musical performances will be moved from the Plaza stage to trackside Pagoda.
  - Thurby Classic Sweepstakes will be conducted with social distancing.
  - Taste of Derby is canceled.
PROGRAMMING CHANGES THROUGHOUT DERBY WEEK

• Oaks Day (Friday)
  • The Kentucky Oaks Survivors Parade will be represented with a video tribute.
  • The Longines Fashion Contest will be conducted digitally.
  • In person artwork signings have been canceled; artist-signed posters may be purchased at the onsite Churchill Downs store.

• Derby Day (Saturday)
  • The Red Carpet entrance has been eliminated to reduce congregation.
  • The Winner’s Party will be held after Derby with limited attendance.
  • In person artwork signings have been canceled; artist-signed posters may be purchased at the onsite Churchill Downs store.
  • The military enlistment ceremony has been canceled.
Guest Safety
• Significantly reduced attendance below what was approved by public officials
  • Coordinated closely with the Kentucky Governor’s Office
  • Restricted and canceled Oaks and Derby related events deemed high risk
• Open dialogue with health and government officials
  • Monitor public health data and trends in COVID-19 infection rates
• Revised Fan Code of Conduct establishing expectations for guests coming to Derby Week races and events
• Screening for personnel and guests upon entry
  • Medical questionnaire regarding symptoms and possible previous exposure
    • Any answer in the affirmative will result in denied entry
  • Temperature check
    • Initial contactless temperature screening performed
    • Must register temperature below 100.0 for entry
    • Secondary temperature check will take place for verification prior to denial of entry
• Guests provided with a face mask, personal hand sanitizer, and personal stylus upon entry
• Protective face covering required for guests and personnel unless guests are actively eating or drinking
  • Churchill Downs personnel to remind guests of this policy
• Social distancing practiced throughout the facility
  • Signage in high traffic areas and floor decals in lines to remind guests and personnel of the policy
  • Directional stairs and reduced elevator capacity
• Readily available hand sanitizing stations
• Communications plan to drive awareness and adoption
• Changes in venue operations to limit person-to-person touchpoints
• Personnel training on COVID-19 awareness, social distancing, personal hygiene, and best practices for their roles
In order to comply with social distancing requirements, guest capacity reductions will be in effect in all areas. The use of face coverings, proper personal hygiene, and frequent handwashing are vital to help keep everyone healthy and safe.

• Utilizing the current best practice guidelines from the CDC, protective face coverings/masks are required for all guests unless actively eating or drinking. Churchill Downs personnel will remind guests of this policy.

• Guests will be asked to wash hands for 20 seconds or sanitize them frequently.
  • To assist in hand washing and cleaning, hand sanitizing dispensers, touchless whenever possible, are placed at key entrances and contact areas.

• Guests will be encouraged to socially distance themselves from others when possible.

• Guests will follow all posted signage throughout the facility (i.e. elevator capacities, floor decals).

Compliance of Churchill Downs’ public safety measures is a condition of admittance and will be strictly enforced. Offenders will receive a warning; repeat offenders will be escorted from the property.
SOCIAL DISTANCING

• In accordance with Louisville Metro Public Health Department, Kentucky Healthy at Work, and CDC guidelines, all Churchill Downs personnel and contract personnel are required to practice safe social distancing procedures. Guests will be advised to practice social distancing when possible. Signs reminding guests to practice social distancing will be placed throughout the property with a focus on high traffic areas such as:
  • Ticket resolution windows
  • Food and beverage outlets
  • Mutuel lines
  • Restrooms
  • Stairwells and elevators
• These signs include arrows on high traffic stairwells to guide guests and elevator capacity signs indicating the maximum safe capacity allowed in each cabin.
• In certain locations where guests customarily line up for services, including wagering and concession locations, guests will be required to follow newly established queue procedures. Floor markings and signs will illustrate designated queueing locations to ensure proper social distancing is established.
Facility Operations
Facility Wide Reductions

- Attendance will be less than 14% of total capacity from the event record. Reserved seating will be limited to a maximum of 40% occupancy.

- General admission tickets will not be sold.
  - The infield will not be open to guests for Derby Week.

- Due to capacity restrictions, we are eliminating ticket types that add additional customers to seating sections beyond the seated amount.
  - Standing Room Only or "Walk Around" tickets have been eliminated.

- Credentials for guests and personnel will be significantly reduced to only those that are necessary.

- The backside will be limited to essential personnel. Guests and parties on the backside for morning works and during race days will be eliminated.

- Events with technical execution constraints will be canceled.
**Ticketing**

- All outdoor ticket holders will be reseated in a new comparable location either prior to or during the event to provide for maximum distancing.

- Guests will not be able to purchase a ticket on the day of the event. Tickets available for pre-purchase are limited and are only available for select days. Other than for participants, no additional inventory will be sold for Oaks or Derby Days. Please visit ChurchillDowns.com, ticketmaster.com or the Churchill Downs mobile app for up to date inventory.

- While guests will not be able to purchase a physical ticket at the traditional ticket office, ticketing personnel will be available at the Paddock and Clubhouse Ticket Offices to address any ticket resolution issues.

- To reduce contact between personnel and guests, all tickets will be delivered digitally. For help with accessing your mobile tickets, see the following page or call 502-636-4450.

- Once tickets are received, guests will be able to access their ticket on their own mobile device.

Mutuel Lines

• Mutuel tellers will be assigned to specific windows, usually every other one to allow 6 feet spacing in between each wagering line. Mutuel tellers will be wearing protective face coverings. Disposable gloves are available as an added option. They will be supplied with hand sanitizer dispensers to utilize after each interaction. Hand sanitizer dispensers will be positioned near each wagering line for guests to use before and after placing a bet.

• Guests will be required to wear a facial covering and practice social distancing when queuing. Floor decals will be spaced 6 feet apart.

Self-Service Terminals

• Self-Service terminals will be accessible for guests to wager as permitted by social distancing guidelines. Generally, every other machine will be powered on to allow proper spacing of guests. Terminals will be cleaned before each day and periodically throughout each day. The use of the stylus provided to each guest upon entry will be encouraged for all self-service terminal interactions. This will reduce contact with high touch surfaces. Signage will be posted to remind fans to practice social distancing and hand-sanitizing stations will be made readily available for guests to use after each wager is placed.
Guests will be encouraged to wager through Churchill Downs’ online wagering platform, Twinspires.com.

Through this platform, guests can fund an account, place a bet, and withdraw winnings without the need to interact with another person.

TwinSpires representatives will be present to assist guests with signups as needed.
Cleaning and Disinfecting Operations

- Housekeeping personnel will ensure that cleaning and sanitation of frequently touched surfaces are conducted using EPA registered household disinfectants. High touch point areas, including all seating, tabletops and other tabletop items, door handles, handrails, elevator buttons, phones, pens, and keypads will be cleaned on a constant rotation.

- Food and beverage personnel will wipe their workstations/cash registers down with disinfectant at the end of their shift. Disinfecting wipes will be made readily available to all restaurant personnel to clean stations frequently.

- All personnel will be educated on CDC proper hand washing techniques including the avoidance of touching eyes, nose, and mouth to minimize the spread of COVID-19 and other viruses.
Workforce Procedures
WORKFORCE MEDICAL SCREENING & COVID-19 TRAINING

• Prior to entry, all track personnel undergo daily medical screening, which includes a well-being questionnaire and temperature check.

• In addition, training on COVID-19 awareness has been provided to all personnel detailing the proper use of masks, social distancing, and proper hand washing techniques including the avoidance of touching eyes, nose, and mouth to minimize the spread of COVID-19 and other viruses. All personnel will wear a mask and practice proper social distancing.

• Housekeeping personnel have been trained, in compliance with CDC, Health Department, and OSHA regulations, to address potential worker exposures.

• Restaurant personnel have been trained for both personal hygiene and food safety practices. These practices include hand washing for 20 seconds with soap and water before, during, and after preparing food and before eating and the use of disposable food service gloves.
Communications and Signage
COMMUNICATIONS AND MESSAGING

• Churchill Downs will use the following channels & platforms to proactively communicate safety & fan code of conduct messaging to its guests.

• In advance:
  • Earned Media: press release, media statements & briefings
  • Kentucky Derby Social Media: reaching over 1,000,000 followers
  • KentuckyDerby.com
  • Direct Messaging to ticketholders via email & direct mail
  • Churchill Downs Racetrack mobile app

• Day of Event/In Venue - regular reminder messaging of specific safety protocols via:
  • Video Boards & Public Address System
  • Churchill Downs Racetrack mobile app
  • Social Media

• Churchill Downs continues to monitor public health data and stay in contact with local and state officials. Updates are communicated to the public via ChurchillDowns.com and KentuckyDerby.com.
Churchill Downs personnel will move about the facility to monitor conditions and assist customers. Churchill Downs personnel will remind guests to practice social distancing and wear a protective facial covering.

Elevators will be limited in capacity and stairwells will be marked by directional arrows when possible.

• Churchill Downs personnel will monitor the new reduced elevator capacities and operate elevator controls but will not be stationed inside the elevator cabins.
• When possible, guests will be instructed to utilize escalators and stairwells.

Compliance of Churchill Downs’ public safety measures is a condition of admittance and will be strictly enforced. Offenders will receive a warning; repeat offenders will be escorted from the property.

Public Spaces
Transportation
**Parking and Transportation Services**

- Parking onsite at Churchill Downs Racetrack will be reserved throughout Derby Week only. In lieu of physical hang tags, guests will be sent mobile parking passes.
- Parking lot staff will be supplied with PPE, including face masks, gloves, and hand sanitizer.
- Churchill Downs will not offer any offsite guest shuttle service.
- To maintain distancing for guests utilizing neighborhood parking, Churchill Downs will coordinate three pedestrian crossings along Central Avenue at 9th Street, 6th Street, and 3rd Street. For those guests requiring ADA-accessibility, the crossings at 3rd Street and 9th Street are recommended.
- Wheelchairs used for mobility services will not be available due to a lack of possible physical distancing. Those in need of a wheelchair should bring their own.
- Mobility assistance golf cart shuttling within our parking lots will be extremely limited to ensure proper social distancing. Barriers will be installed between the driver and passengers. All seats and high touch points will be sanitized in between rides.
- Any necessary adjustments to this plan will be communicated via KentuckyDerbyParking.com website.
Entry Procedures
