

## COMMONLY ASKED QUESTIONS REGARDING THE RESCHEDULE OF KENTUCKY DERBY 146

LAST UPDATED: FRIDAY, AUGUST 21, 2020, 5:00 P.M.

### ***Why is the Derby being run without spectators?***

The health and safety of our entire community, including our guests, our staff and the public is always our top concern. Although we worked very hard over the last several months to plan a safe Derby with a limited number of spectators, the increasing number of COVID-19 cases in Kentucky and Louisville as well as warnings from public health officials, including the CDC, will simply not allow us to do so in good conscience. We feel strongly that it is our collective responsibility to do all we can to protect the health, safety and security of our entire community in these challenging times and have decided that running the Derby without spectators is the best way to do that.

### ***Will my ticket be refunded for the Derby?***

Yes, all tickets purchased for the 2020 Derby will automatically be refunded in the next 30-45 days. If you have additional questions, please call (502) 636-4450 and we will be happy to assist you.

### ***What if I purchased my ticket from someone other than Churchill Downs?***

If your ticket was purchased from a vendor or secondary market website other than Churchill Downs, Ticketmaster.com or Derby Experiences, please contact that site directly. We are unable to process refunds for those tickets.

### ***Does this apply to all of Derby Week?***
