## \$300,000 Commonwealth Turf (Grade III)

17<sup>th</sup> Running – Sunday, Nov. 27, 2022 (Fall Meet) 3-Year-Olds at 1 1/16 Miles on Turf at Churchill Downs Stakes Record - 1:41.54, Heart to Heart (2014) Course Record - 1:39.83, Wise River (2009)

Name Origin: The race honors Kentucky, which is one of four U.S. states constituted as a commonwealth (the others are Virginia, Pennsylvania and Massachusetts). This designation, which has no constitutional impact, emphasizes that Kentucky has a "government based on the common consent of the people" as opposed to one legitimized through their earlier royal colony status that was derived from the King of Great Britain. On Sept. 28, 1786, the residents of Kentucky County began petitioning the Commonwealth of Virginia legislature for statehood. They wished the County to be recognized as a "free and independent state, to be known by the name of the Commonwealth of Kentucky." On June 1, 1792, Kentucky County officially became a state. The Constitution was changed as to the style for "all process and mandates" to "Commonwealth of Kentucky" in 1850; prior to that change "State of Kentucky" was used. Kentucky is the only state outside of the first 13 that uses "Commonwealth" in its name (although at the time of independence it was part of the Commonwealth of Virginia).
