Relief for Equine Industry Needs (R.E.I.N.) was established by the Churchill Downs Foundation in response to the growing needs in the racing industry as a result of the COVID-19 pandemic and the subsequent interruption of customary racing operations. The emergency relief fund specifically addresses the needs of backside communities by providing meals, micro-grants and financial assistance with emergency needs as well as the fulfillment of essential care for horses. Visit the link below for information on how to donate or apply for funding.
