

\$300,000 Bourbon Flight

5th Running – Saturday, Sept. 20, 2025 (September Meet)
 3-Year-Olds at 1 3/16 Miles on Dirt at Churchill Downs
 Stakes & Track Record – 1:54.66, Batten Down (2024)

Name Origin: A bourbon flight is a way to sample multiple bourbons at once to compare and contrast different brands and styles. Flights typically include three to five bourbons, each with a small amount for tasting. This allows tasters to compare notes and choose their favorite. Some say it's best to save some of each bourbon in the glass before moving on so you can revisit them later. Others recommend using unsalted crackers or water to reset the palate between tastings.
