

KENTUCKY DERBY WINNERS VS. KENTUCKY DERBY WINNERS

Winners of the Kentucky Derby have faced each other 43 times. The races have occurred 17 times in New York, nine in California, nine in Maryland, six in Kentucky, one in Illinois and one in Canada. Derby winners have run 1-2 on 12 occasions. The older Derby winner has prevailed 24 times. Three Kentucky Derby winners have been pitted against one another twice, including a 1-2-3 finish in the 1918 Bowie Handicap at Pimlico by George Smith, Omar Khayyam and Exterminator. Exterminator raced against Derby winners 15 times and finished ahead of his rose-bearing rivals nine times. His chief competitor was Paul Jones, who he beat in seven of 10 races while carrying more weight in each affair.
