2025-26 EURO/MIDEAST ROAD TO THE KENTUCKY DERBY

EURO/MIDEAST ROAD TO THE KENTUCKY DERBY – First staged in 2018, the “Euro/Mideast Road to the Kentucky Derby presented by Woodford Reserve” is a stand-alone series that is separate from America’s “Road to the Kentucky Derby Presented by Woodford Reserve” series. Up to two invitations to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the “Euro/Mideast Road to the Kentucky Derby Presented by Woodford Reserve” series. If two or more horses have the same number of points, the tiebreakers are earnings in non-restricted stakes races through April 11, 2026 followed by lifetime earnings through April 11, 2026. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”). Since 1967, there have been 57 horses who previously raced outside North America and ran in the Kentucky Derby. Venezuela’s Canonero II won the 1971 Derby and Puerto Rico’s Bold Forbes won the Derby in 1976. Bold Arrangement (GB), who was campaigned in Great Britain and France, finished second to Ferdinand in the 1986 renewal. Japan’s Forever Young (JPN) finished third in 2024.

RTKD AND RTKO RULES

TIEBREAKERS –

- America’s Road to the Kentucky Derby and Road to the Kentucky Oaks: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”).
- Euro/Mideast Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is earnings in non-restricted stakes races through April 11, 2026. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lifetime earnings through April 11, 2026. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”).
- Japan Road to the Kentucky Derby: If two or more horses have the same number of points, the tiebreaker is lifetime earnings through April 11, 2026. In the case of remaining ties, the additional starter(s) and/or also-eligible horses shall be determined by lot (aka a “shake”).

FILLIES – If a filly wants to run in the Kentucky Derby she can, but she’ll have to earn her way into the field by accumulating points against open company just like colts and geldings. Additionally, any points earned by a filly in the “Road to the Kentucky Derby Presented by Woodford Reserve” series against open company will be credited to her point total in the “Road to the Kentucky Oaks” series. If a filly garners an invitation to the Kentucky Derby via the “Euro/Mideast Road to the Kentucky” or “Japan Road to the Kentucky,” ownership may opt to instead use that invitation to the Kentucky Oaks.

FIELD SIZE – In the event a Championship Series race is run with a five-horse field, only 75% of the points will be proportionally awarded. In the event a (Championship Series) race is run with a four-horse field or less, only 50% of the points will be proportionally awarded.

DEAD-HEATS – In the event of a dead-heat (tie) those horses will divide equally the points they would have received jointly had one beaten the other.

SPLIT DIVISIONS – In the event a race is split into divisions and each division awards its originally published purse money, points will be awarded as scheduled for each division. If the originally published purse is reduced for each division, points will be reduced proportionally as well.

LASIX – Points will only be awarded to horses who compete on race day without Furosemide (often referred to by the brand name, Lasix) in Road to the Kentucky Derby and Road to the Kentucky Oaks races. Any points earned by horses with Lasix on race day will be vacated. The 2021 Kentucky Derby and Kentucky Oaks marked the first year those races were run without the permitted use of Lasix.

MEDICATION VIOLATIONS – If the connections of a horse have been notified by a regulatory body about a medication violation from participation in a Road to the Kentucky Derby or Road to the Kentucky Oaks race, and that violation would result in disqualification, any accrued points from the race will be revoked until the matter reaches a legal conclusion. Accrued points will be reinstated if the matter is legally overturned prior to the running of the Kentucky Derby or Kentucky Oaks.

DERBY/OAKS TRAINER SUSPENSION – Points from any race in the Road to the Kentucky Derby or Kentucky Oaks will not be awarded to any horse trained by any individual who is suspended from racing in the 2026 Kentucky Derby or 2026 Kentucky Oaks or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer. Should a horse trained by a suspended trainer, or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer, finish in a position that would have earned points in a Road to the Kentucky Derby or Kentucky Oaks race, the points associated with that finish position will be vacated.
