MEMBERSHIP RESERVATIONS & GUIDELINES

Reservations to attend the Turf Club are highly encouraged, especially on premium days when seating may be limited. Members may include guests within their reservation and to accompany their visit to the Turf Club, and members are permitted to place reservations in the Turf Club on behalf of designated guests when the primary, or secondary, member is absent. **Note, select, premium race days will require the member to be present and to accompany their guest(s) to the Turf Club reservation.**

Members will be notified by email with instructions for placing reservations, including the specific date(s) which they can request reservations for a particular seasonal race meet. For example, reservation requests typically follow the schedule below,

- **Late February:** Season Turf Club Primary Members request Spring Meet reservations
- **Late February:** Turf Club II Primary Members request Spring Meet reservations
- **Early March:** All Secondary Members request Spring Meet reservations

- **Early August:** Season Turf Club Primary Members request September and Fall Meet reservations
- **Mid-August:** Turf Club II Primary Members request September and Fall Meet reservations
- **Late August:** All Secondary Members request September and Fall Meet reservations

Reservation requests will be accommodated on a first-come, first-served basis, and subject to availability for the day requested. Every effort will be made to accommodate members' reservation needs prior to guests.

While primary and secondary members will utilize their membership cards to enter the admission gate and to access the Turf Club, each guest must present a guest coupon upon arrival. For the convenience of members, guest coupons are available on the Churchill Downs app or by logging into your "My Churchill Downs Account Manager" via Ticketmaster. Guest coupons may be transferred digitally. It is the member's responsibility to ensure their guests have received their coupons before their arrival, in order to access the racetrack. When/if the amount of guest coupons in your account is exhausted, members may contact the Turf Club reservation line and additional coupons will be added to their account. Note, guest coupons are not valid for entry on Thurby, Kentucky Oaks and Kentucky Derby days.

On the day of your visit, your reserved table will be held until the post time of the fourth race, unless prior arrangements have been made. If the reservation is unclaimed beyond the call to the post of the fourth race,

the table may be released to walk-in members and guests. All tables not reserved, at any point of the race day, are available for walk-in members and accompanying guests.

Guest fees range from \$15 per guest to \$275 per guest, depending on the particular race day. Guest fees will be accrued and invoiced, **with the exception of premium race dates where guest fees must be pre-paid at the time of reservation (see Premium Days).**

PREMIUM DAYS

Memberships do exceed the number of tables available in the Turf Club, and from time-to-time—typically select, premium race dates—not all reservation requests are able to be accommodated. On those occasions, members are required to pre-pay for guests at the time of reservation. Pre-paid guest coupons are non-refundable. Additionally, members are required to be present for their reservation and to accompany their guests.

Members may bring up to six (6) guests during Derby Week and other premium race dates. On “family days” such as Mother’s Day, Father’s Day, Thanksgiving Day and The Clark, every effort will be made to accommodate larger parties.
